News and activities from Holy Family Parish

Fire drill A message from Chris Davey: Thanks for your cooperation during the recent evacuation drill, and for the helpful suggestions made at the time. It went very well, though returning hymnals and missals caused a bit of a log jam! It must be stressed that in the case of a real emergency ALL belongings should be left. I am sure that, in the event of an incident, the church could be completely evacuated in less than 1 minute 30 seconds.

Mass intentions There are a number of Masses coming up with no specific intention. If you would like a Mass said for a loved one, please pick up an envelope from the back of church.

Church cleaning - Group B w/b 10th June

Holy Family SVP news

There will be an SVP Coffee Morning in the church hall after 11am Mass on **Sunday 16th June**. The Coffee Morning is in support of the Young Vincentians programme and children's holiday camps, encouraging young people to develop their faith and begin a life of service to others. Holiday camps provide respite and encouragement to children in challenging circumstances.

Pentecost Sunday

Have you ever watched a TED Talk? There are thousands available to view online. The powerful talks are generally less than 18 minutes long and cover a huge range of topics, from science to business to social and global issues. There are talks in more than 110 languages, and they are used in schools, business and many other settings, to educate, motivate, and open minds. While the speakers come from a variety of backgrounds, the one thing they have in common is their ability to communicate. The speaker has the audience in the palm of their hand. They are gifted communicators, with a passion for a particular subject, and the ability to draw their listeners in.

We often hear that in order to be a good communicator, we have to learn how to speak another person's language. On the day of Pentecost, when the disciples were filled with the Holy Spirit, each of the people gathered heard them speaking in his or her own language. The ability to communicate and to be understood was the first gift they received from the Holy Spirit. Today, we need the gift of communication more than ever. There are times when we have the opportunity to share our faith, or to witness to others in the way we live our faith. We might feel that we struggle to share our faith in a way that others can understand. In order to meet people where they are, we first need to 'speak their language' - to know them, listen to them, and recognise God's presence in them. The Spirit that came upon the early believers is the same Spirit that guides us today.

Many thanks to their parents who worked hard to prepare them well for this special event.

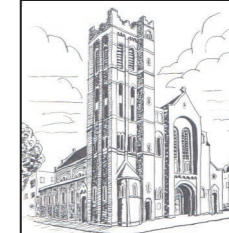

Also many thanks to the Headteacher and staff of St Mary's Primary School for support and help during the various stages of preparation.

The First Holy Communion Children will be presented to the parish next Sunday 17th June at 10am Mass.

Mass Intentions

Mass Intentions - It is an ancient tradition to have a Mass celebrated for our deceased relatives or friends, for someone who is sick, or in gratitude for help received. It is usual in requesting such a Mass to give a small stipend (donation); this goes directly for the support of the priest who celebrates the requested Mass. If you wish to have a Mass dedicated please write 1) name of intention (2) date required on a slip of paper, put your stipend into an envelope and hand it into the Priory. We will try to facilitate the date required but priority must be given to funerals and weddings. Thank you for your help.
